Brush Pick up

Our brush and leaves pick-up is on **the 2nd and 4th Monday** of each month. If Monday is a holiday, then pick-up will be on Tuesday.

Place the brush loosely piled, putting small tangled brush in a separate pile so we can pick it up with a loader and transport it. Place large logs in a separate pile in 6 ft. lengths. (Please remember we are a brush pick-up service not a tree removal service)

All bagged debris (leaves, grass clippings, etc.) MUST be placed in a paper bag. We will not pick up debris in plastic bags for biodegradable reasons.
