We are currently looking for:

**Planning Board Alternate
Zoning Board Member
and two Alternates**

Please contact the Village office if you are interested.

Property owners and snow removal contractors should be aware that shoveling or plowing snow from private property onto or across public roads is illegal because it can present a serious traffic hazard to motorists

If you are experiencing any odor complaints associated with the Mill Seat Landfill, please contact our liaison from the CAB board at (585)494-2410. Provide the date, time and location of the problem and they will report the details of the issue back to the board.

Thermal Infrared Imaging

The Village of Bergen is using infrared technology to identify ways to become energy efficient. Thermal infrared imaging has become a valuable tool in performing energy audits in residential and commercial applications. Again this year we are offering a free **infrared assessment on your home**. The assessment, complete with color photos and helpful information show areas of heat loss, if you are interested please contact the Village Office.

Department of Public Works

It is that time of year where we know that the blanket of white will be with us for awhile.

Please remember that there is no parking on Village streets between 2:00 am and 7:00 am. Your assistance will help our crews in their efforts to keep our roads clean and safe during the winter months.

We will do our best to keep streets and sidewalks safe during snow and ice conditions. If you believe you have an unsafe situation, please contact the office at 494-1513 and we will do our best to resolve the problem as quickly as possible.
