

Bergen Energy Efficiency Program

Home Electric Vehicle Charging Station

The Village of Bergen Electric Company's Energy Efficiency Program or BEEP offers programs to its customers to make energy efficient upgrades that reduce energy consumption, save money and benefit the environment. Electric Vehicle Home Charging Station program provides an incentive for the purchase and installation of an electric car charging station in customer's homes. Customers who own an electric vehicle and install charging equipment in their home are eligible for a rebate of 50% of the total cost (equipment and installation) up to \$1000.

Please complete this form and mail or drop off to the Village Office along with:

- **Information and receipt with detail of purchase or invoice from installing contractor**
- **Proof of electric vehicle ownership**

Village of Bergen 11 N. Lake Avenue P.O. Box 100 Bergen, NY 14416
