

Bergen Energy Efficiency Program

Commercial Lighting Rebate Application

The Village of Bergen Electric Company's Energy Efficiency Program or BEEP offers programs to its customers to make energy efficient upgrades that reduce energy consumption, save money and benefit the environment. The Commercial Lighting program provides incentives for businesses to replace their old lighting fixtures for more energy efficient ones. Projects greater than \$1000 require pre-approval maximum rebate is \$2,500 per year. If you have any questions please Village Office at 494-1513.

Please this form and mail or drop off to the Village Office along with:

- A copy of your dated sales receipt
- A copy of the ENERGY STAR information.
