*Mayor Anna Marie Barclay*

**A Message from the Sackett-Merrill-White American Legion Post 575**

It has been brought to my attention that a rumor is going around the Town and Village of Bergen which states the Sackett-Merrill-White Post 575 is closing. That is far from the truth. We are open and will support our community as always.

We now are looking for new Veterans to become members of our Legion and this will take place at an open house that is being planned. We are also waiting for the Congress of the United States to give all Legions in the US the OK to let all Veterans that have a Honorable Discharge become members by removing the war time dates that are now in place.

I make a call to all Veterans in our community that our doors are open to all that have served our country and now we need your help to continue supporting our people in need at holiday time, children's programs, Scholarships at Byron-Bergen School and Girl's and Boy's Legion program, and wherever our help is needed.

To all Veterans: remember that we took a pledge to leave no one behind and now I am asking for your support as we move forward in our fight that is before us now.

Sincerely,  
Thomas F. Williamson  
Commander  
Sackett-Merrill-White  
American Legion Post 575
