Mayor's Message

Richmond Ave and Gibson Place have been repaved by Decca Paving with assistance from the Town of Bergen, Town of Byron, Village of Churchville, and our crew; thank you to all for a great job! Road work will continue throughout the season as chip and seal work will be done on remaining village streets as funding allows. Residents will be notified of a schedule.

During the April board meetings, Casella was awarded a three year contract for refuse pick-up in the village, and the 2021 General, Sewer, Electric, and BEEP budgets were approved.

Welcome to Eric McGrain as the newest addition to our village staff. Eric has taken the position of Motor Equipment Operator for the village.

As COVID restrictions are being lifted, we can bring back summer activities. The village summer recreation program will take place once again and will run from July 19 through August 13 in Hickory Park. We have hired a certified teacher, Evie Rodriguez, as counselor. Registration materials will be available at the office and on the village website.

Families of current service members previewed Hometown Hero banners during a reception at the Legion on Sunday, 5/16. The banners are now on display along Route 19 in the village until Veteran's Day. We now have 11 honor bricks being added to the Veterans Walkway in Hickory Park.

Memorial Day, May 31, is a time to remember those who have died in war, a time to remember those who gave their lives in service to our country, a time to honor their sacrifice. Join our veterans at Hickory Park at 9:30am for the annual remembrance ceremony.

Enjoy the warm weather! Stay safe!

Mayor Anna Marie Barclay

Hometown Heroes Banner Program

The Bergen Triangle Club, Ladies Auxiliary of the Sackett-Merrill-White American Legion, and the Friends of Bergen are proud to announce the Hometown Heroes Banner Program. The program serves as a tribute to recognize service men and women from Bergen who are currently serving our country in a branch of the military. We have hung our first banners along Route 19. We are still accepting

orders for more to add to those. Information and application forms are on the village website.
