## Mayor's Message

At the time of you reading this newsletter, the days have already begun to shorten with the summer solstice having taken place on Friday, June 20<sup>th</sup>, which is also the first day of summer. To take full advantage of the summer weather, we here at the village have been very busy organizing events for the summer and fall seasons.

First, let's catch up on the events that just recently took place. The Memorial Day Parade organized by the American Legion was a great way to kick things off, followed by the BBCA Bergen Park Day celebration which was held on June 14<sup>th</sup>. The streets were lined with spectators like I had not seen in years. The weather was gorgeous. The night culminated with a superb fireworks display. Thanks to the BBCA for again organizing the annual park day event, it surely brings our community together in a very positive way.

Now let's look ahead to upcoming events. The concert in the park series begins on Wednesday, June 25<sup>th</sup> with ATLAS performing from 6:30-8:30pm. This band has shared the stage with Chicago, Kool and the Gang, and Earth Wind and Fire to name a few. They are a national recording artist group. Please attend, you will not be disappointed. The Wednesday, July 16<sup>th</sup> concert from 6:30-8:30pm features Something Else which is a cover band with exceptional talent featuring Bergen's own Johnny Cummings. Local food vendors will be on site serving hots, burgers, pizza, ice cream, and cookies. Please attend and show your support, our GO-Art funding depends on it. Other concert dates will be listed in next month's newsletter.

Another activity of interest is the free summer camp program which begins on June 30<sup>th</sup> thru August 8<sup>th</sup> from 10:00am-1:00pm, Monday thru Friday, you can register the children at the village office. Lastly, for activities in this newsletter, the Bergen Harvest Market is being held at Hickory Park, which opens on Tuesday, July 1<sup>st</sup> and will be open every Tuesday 3:00-6:00pm through September with many vendors on site. Please support these vendors as we work together to make this farm market a success. Many thanks to the Bergen Tree and Park committee for all the time and effort which has gone into organizing these events.

In closing, I have been informed of dogs not on leashes on residents' property which is ok until said dogs come after residents walking on the sidewalks. Please be responsible pet owners so our residents can feel safe while enjoying a walk. Also please be mindful when cutting grass onto the sidewalk and road. This grass becomes a safety issue when not cleared from these areas. Simply blow it back into the right-of-way area when finished mowing. The motorcyclists and pedestrians will thank you.

Until next month be healthy, be safe, and enjoy your Fourth of July Holiday!!!

Please feel free to reach out to me with any questions or concerns. I can be reached at [jchimino@villageofbergen.com](mailto:jchimino@villageofbergen.com) or (585)703-2875.

## From the Desk of the Village Historian, Vicky Truax

Today's story features Ralph D. Gillette, a lifelong resident of Bergen, born in 1891 and passing in 1972. His father, George Gillette, was well known in both the railroad and farming industries, and had a strong interest in politics.

Ralph entered the insurance business in 1919, founding the Gillette Insurance Agency. The office was located on Buffalo Street, in the building that later housed Mike's Gym. Ralph and his wife, Minna, lived at 48 Rochester Street in the family home, which they always kept in immaculate condition.

Ralph was devoted to Minna and ensured she had the very best. Though the couple had no children, their home was beautifully appointed. Minna worked with a decorator from Sibley's department store, resulting in a stunning interior—featuring a Waterford chandelier, sterling silver displayed on the dining room buffet, and elegant, upholstered furniture in the living room.
